

THE WOODLANDS
CHRISTIAN
ACADEMY

Dear Parents

Welcome to The Woodlands Christian Academy. TWCA has contracted with Spectrum Catering since 1999 to manage the lunch program. My goal is to provide a nutritionally balanced lunch to all of the students. The students have several options daily for lunch, which include a hot entrée, or a baked potato and soup or salad, or a sandwich and soup or salad. Sandwiches and soup are made fresh daily and sandwich options are ham and cheese, turkey and cheese, peanut butter and jelly, homemade tuna salad and chicken salad prepared on whole wheat or white bread. Also included is a beverage of regular milk, 1% chocolate milk, 2% milk, lemonade, orange juice or ice tea, a cookie or ice cream is offered for dessert. Fresh seasonal fruits and vegetables are available daily.

You have two options if you wish to participate in the lunch program, you may contract each semester for the entire semester (a sack lunch will be provided for your child by the cafeteria if your child attends a field trip) or you may purchase lunch tickets, which may be used at any time during the entire school year.
